

LA FIN DU TÉLÉTRAVAIL ?

Alors que les plus grandes entreprises sonnent le rappel, les cabinets semblent s'être bien adaptés à la flexibilité qu'offre le télétravail. Pour combien de temps ? Tout est sans doute une question d'équilibre.

The tangible benefits of the office are less important to firms than the intangibles

Survey Question:

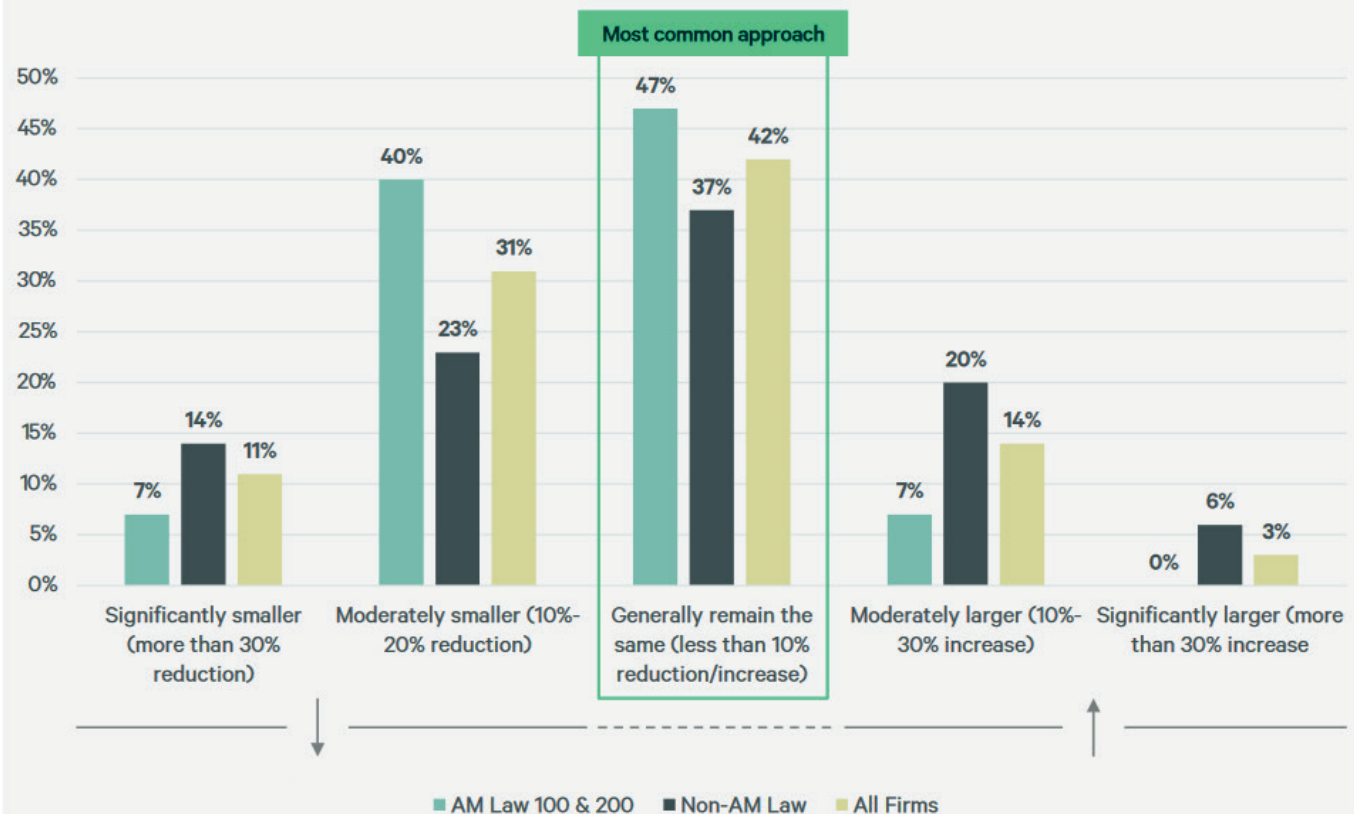

In considering professional development, how important is it to be in the office for the following needs and opportunities for colleagues at your firm? The graph below groups the important and very important responses.

Law Firm Footprint Expectations

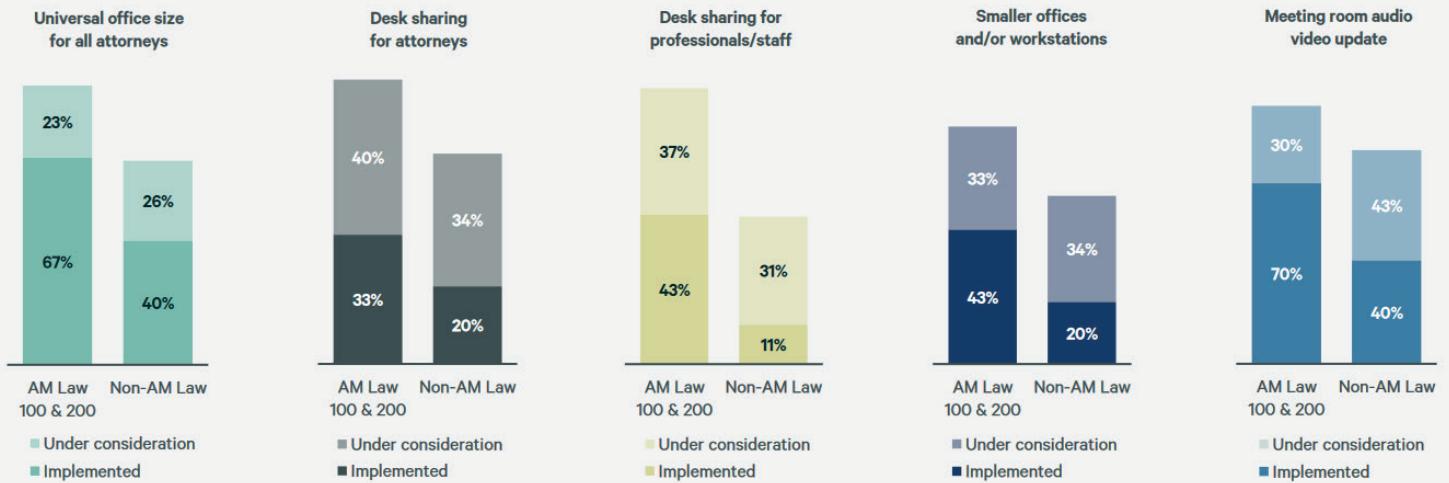

Survey Question:
